

THE JOURNEY CHURCH

STUDENTS

Event Name: Behold Weekend

Date: September 20th-21st, 2024

Speaker: Nick Judd

Band: Journey Worship Co

Price: FREE EVENT + PRE-REGISTER to receive a *free sweatshirt!*

Vision: The next generation have internal sin struggles that are met with cultural pressures to endorse and celebrate them. In the state of spiritual exhaustion and numbness, this event will serve to restore our students' joy and contentment in Christ, leading them to behold Him again.

Theme: Unveiled

Through the finished work of Christ, the veil that was once over our eyes is now removed. However, we often live our lives apathetic of the access we have to God. The veil was removed for us to enter in and remain in Christ and behold His glory forever.

Session 1: *Mercy for a Wretch*

How can a wretch like me stand in the presence of God?

Session 2: Daily Feasting on the Promises of God

How do I remain near to Christ in every sphere of life?

Session 3: Daily Feasting on the Promises of God

How do I remain near to Christ in my everyday life?

Breakout 1: Imago Media

Media places unfair, unwise, and unbiblical expectations on students in an attempt to redefine God's good parameters and enjoyments in life.

Breakout 2: Holy Companions

Friends will either help or hurt your communion with God, so choosing and maintaining good friends is essential in consistent fellowship with Christ.
