  - This class is based on TJC's beloved sermon series "The Cloud". Study the historical events and developments that shaped the faithful Christians we study in The Cloud.
- **THE BIBLE AS A NARRATIVE – SCOTT MARLOW**
  - God seems to really like narrative. Why do you think that is? What is it about stories that communicates God's heart to his people? Come gather around the campfire as we take a look at some of the stories of Genesis, Ruth, and Jonah to discover why Biblical stories captivate our hearts so much.
- **TITUS 2 MENTORING – LAURA DILEONARDI & MARIAN HARPER**
  - One of the pillars of TJC Women is Titus 2 Discipleship, which describes older women discipling younger women in the context of relationships. In this class we'll be diving into Susan Hunt's book *Spiritual Motherhood* which will encourage and equip us to embrace what she calls the magnificent mandate for women to disciple women based on Titus 2:3-5.
- **STUDY OF THE END TIMES – MORGAN CATES**
  - Dive into what Scripture has to say about eschatology, the study of the end times. Learn how to read and interpret the book of Revelation, discuss the different millennial positions, and study other eschatological themes in the Bible.
- **30 AND 30: THE EPISTLES OF JOHN – PASTORAL RESIDENTS**
  - Study through the three epistles of John. Class will begin with a 30 minute exposition of a passage followed by a 30 minute group discussion.
- **GOD'S HEART FOR THE WORLD – SHAWN CASTO**
  - This course is designed to help you begin exploring God's word, world, and work. It will introduce what we call "World Christian Habits." World Christians are people who understand God's heart for the world and strategically work to see Him glorified among all nations.
