DISCIPLESHIP RESOURCE GUIDE

Gospel Community

Weekly; all days and times

Gospel Communities: the purpose is to show Jesus as incomparably glorious by cultivating self-feeding, disciple-making disciples, seeking to live on mission, and being a smaller family extension of The Journey Church.

Lead Equip: the purpose is to invest in Gospel Community Leaders to fulfill the vision and mission of TJC. These courses are built around equipping leaders to develop these traits in those they lead.

Course 1: Self-Feeding (4 Weeks)

Course 2: Disciple-Making (4 Weeks)

Course 3: Gospel-Shaped Lives (4 Weeks)

Bible Reading Plan

Daily; 2 years

Bible reading plan: the purpose of our two year Bible reading plan is to center TJC on communion with God by collectively reading the scriptures and learning through the same passages together. Reading, studying, memorizing, and reflecting on the Word of God is how we grow as believers, so we want to provide a guide for facilitating that process.
