

PHILIPPINES PARTNERS

INTRODUCTION

Partnering with specific missionaries and church planters across the globe gives us a unique opportunity to pray and petition on their behalf. Even more so, in light of COVID-19, we wanted to provide a more specific opportunity for you to hear, learn, and pray for them during this season. Check out this week's partner.

PRAY FOR OUR PARTNERS

James

- Pray for James' Bible studies that have been temporarily postponed.
- Pray another church planting partner would come and help.
- Pray for the people in Nueva Estrella because a lot of transportation and stores have shut down, and a lot of them don't have the means to buy mass amounts of groceries.

Eriz

- Pray for Eriz and the students he has been leading in training because they are stranded on an island in Southern Philippines because of COVID-19:
 - That the lockdown will be lifted soon and they can go home.
 - Since the students at this training cannot go home, pray for wisdom in making their stay productive. They can still go out in the community to do Bible studies, so also pray for strength in continuing this ministry.
- Pray for Tatay Eugenio and Andrew, his 14 year old grandson (people they have been doing Bible studies with where they are located). They responded to the Gospel by faith and were baptized two weeks ago. Eriz is still conducting Bible study with them. Pray that they will continue to grow in grace and knowledge of the Lord.

Jess & Wendy

- Pray that they will be sensitive to opportunities to be able to help folks as they can during this time.
- Pray for the Filipino people because many of them work daily jobs. With so many of those shut down during this time, they have no daily income. Many live day to day, and it is already difficult for many of them and will get harder.
